MEMORANDUM FOR: The Honorable Richard B. Stone  
Special Representative of the President  
for Public Diplomacy and Central  
American Affairs

SUBJECT : Central American Public Information Effort

REFERENCE : Your Memorandum dated 10 May 1983, Central  
American Public Information Effort

I initially was optimistic that we might be able to declassify the information referred to in your 10 May letter. A review by the Intelligence Community, however, suggests that release of this information would jeopardize continuing collection of sensitive information in
